## *Letter from the President*

Happy New Year 2023!

I always look forward to a calendar change and the new possibilities of the next 12 months! I can't believe we are already in February, the month that gives us reason to celebrate love and anything else great going on! I hope you find time to do just that this or any month this next year.

The HSCTE board has been off and running since the summer conference last August. We have all been very involved in our CTSO programs through WCTSMA and HOSA while also planning this summer's conference August 6-9, 2023 at the Davenport in Spokane. The board is looking for presenters, anyone that is interested or suggestions can be sent to myself or our Vice President Courtney Peart. Since our membership meeting at summer conference last year our two goals were to see an increase in membership and more presence on social media. Even though our board has been busy, we are reaching our goals for the 22/23 school year.

Lastly, I want to remind all members of the awards and scholarship program we offer through HSCTE. Please check our website and the QR code in this letter for deadlines and how to apply. We love rewarding hard work and dedication to health science!

Cheers to 2023!

Stefanie Brophy MEd, ATC  
Sports Medicine, Medical Careers, PE Instructor  
WCTSMA Sports Medicine Club Advisor  
HOSA Co-advisor  
HSCTE President  
Graham-Kapowsin High School

**We have an open position on our board:**

- **Professional Development Chair**

**We also have other opportunities to help/join our board, please reach out if you are interested!!!**

**If you are interested or want more information, please email Stefanie Brophy (sbrophy@bethelsd.org)**

# SUMMER

# Conference

Information

August 6-9, 2023, The Davenport Grand Hotel, Spokane

## Speakers needed:

Anyone in the health science field (teacher or professional)

Interested or know someone who would be great?

Email Courtney Peart:  
courtneypeart@selahschools.org
